OVBA President*

I would like to take this opportunity to thank all of you who attended our first mixer of the New Year. The mixer was held on Monday evening January 26th at the Oley Fire Company. We had 25 members present and it was great to see all the mingling that was taking place. We really need to thank the Oley Fire Company for their hospitality as they provided some great refreshments for all to enjoy. Many of you also went home with some really nice door prizes, thanks again to those who contributed to that cause.

In my new role as President of this great Association, I am going to make every effort to visit each of you at your place of business over the next several months. Being a life-long resident of the Oley Valley, I already know many of you and most importantly already do business with some of you. In order to keep growing the Oley Business Association, I want to encourage you to let me know what you would like to see this Association do for you. Please remember we are all here for each other.

Our next meeting will take place on Tuesday, Feb. 24, 2009 beginning at 12:00 noon at the Golden Oaks Golf Club. I have reserved the loft area which provides for a great meeting place. The plan calls for staying at Golden Oaks for a few months and then switching to another location for the remainder of the year. We will continue to monitor your requests as to what you would like. The Officers are also looking into planning a picnic meeting sometime this summer. More details to follow on that.

The February 24th meeting will be extremely important as the Officers have a presentation to make regarding a piece of business we have been working on for the past two months. I encourage you all to attend as we will also have two speakers from our own Business Association.

I am looking forward to a great turnout on February 24th. See you then!!!!

President
