Message from OVBA President

The officers of the business association have met several times since our January mixer at the fire house. We have discussed many ideas and hope to bring about some positive changes in the way we work together as an association. We look forward to serving the membership as we seek to guide the association to fulfill the objectives laid out in our by-laws. The purpose is found on the front page of our website.

“The OVBA was established in 1990 to promote local business for those member organizations in the Oley Valley trading area, provide a forum for information exchange among the membership on economic, civic, industrial, commercial and educational issues and support the development of the area as a desirable place to work, play & reside.”

I have been in a learning curve since taking the reins from Doug Kramer and I appreciate the time he has given to help me gain a sense of understanding of what is to be done. I look forward to visiting each of our member businesses over the next few months to acquaint myself with the nature of your work. As president, I desire to be well informed in order to best represent your business. I am also desirous of seeing our membership increase.

Our next meeting is March 25th. Rep. David Kessler will be bringing an update from the Oley Valley Supervisors and a report on his work in the State Capitol.

In addition to hearing Rep. Kessler, there will be a few items of business which will be discussed.

The Oley Valley Pot Pie Benefit is fast approaching. It will be March 30th at the Oley Valley High School. In past years, a group of individuals have helped in different ways. Jay Roberts is our contact person for the benefit. If you are interested in helping this year, please let him know. This will be announced at our meeting on the 25th.

I look forward to having a good turnout for the meeting on the 25th. See you then.

Best Regards,

Jim Mac Arthur, President
